

About SEL,

Social Emotional Learning (SEL) is a methodology that helps children of all ages to better comprehend emotions, to feel emotions completely, express those emotions responsibly and demonstrate empathy for others. Socio emotional learning helps students to make positive, responsible decisions.

About Dhivi,

Dhivi – started with a vision to set up an Individual Development based education services that would offer a wide range of enabling and career enhancement services to children.

Dhivi is led by group of experienced Academic Mentors who have more than 15 years of experience in Education Industry. With the focus on the students' needs. Dhivi's foundation firmly set on its Core Values, and Socio Emotional Learning as a key driver, we strive to enable students to realize their potential and make their dreams come true.

Classroom is the place where children meet others with different backgrounds, beliefs, and with unique capabilities. To embrace the differences Socio-Emotional Learning (SEL) helps students.

*According to Jennifer B. Rhodes
“Social-emotional learning is a broad term referring to how students regulate their emotions, communicate with others, use compassion and empathy to understand the needs of other people, build relationships and make good decisions”*

How do we work,

We use emotion based approach while communicating with children. Every child has inherent strengths. We believe that every child needs to learn the emotional strengths to live the life fully, children must possess good emotional intelligence that empowers them to understand life, learn from mistakes, dream for good, recover from pain, adapt the change, and connect to the people around.

From a Client

I loved the construction of Life Skills Training. Activities are involved so many educational, creative, interpersonal and communication skills. Creative activities, the compassion, the group management skills, all of the trainers were beyond my expectations. Excellent!!
- Sahithi Jain, Teacher,

Goals

- To influence child's self confidence.
- To instill empathy and compassion.
